

Fundraise for CCS this Summer

Catholic
Children's
Society

Thank you for supporting CCS!

You can take on a fundraising challenge as a school, class, with your wider community or on your own!

Any sponsorship money you raise will directly help local vulnerable children, young people and families. Watch our video to find out how your fundraising can transform lives.

There are plenty of ways to fundraise for CCS. You could hold a sweepstake with your friends, do something crazy with your hair or even [Live-stream your gaming on Twitch and take donations.](#) There are more fundraising ideas on the next page.

Remember to let us know about your challenge and how you're raising money to help children and families this Summer!

Walk the Diocese

The Walk the Diocese challenge is a fundraising favourite. Challenge yourself to walk (jog, skate or something else) the distance of your diocese. Click [Westminster](#), [Southwark](#) or [A&B](#) to find out the travel distance.

Host an event

You could organise your own virtual event. Whether it's Karaoke, Bingo, a Quiz or Prize Draw, there's plenty of ways to make it your own. The best way to raise money is to set up a fundraising page and attendees to donate via the page.

Bake-off

Are you the next Mary Berry? Put your baking skills to the test and organise a Bake-Off event while encouraging people to sponsor you. You can bake in your own homes and then share your finished bakes online and decide on a winner.

Get Creative

If you have an artistic side, you could create something and send it out in return for donations. Or perhaps you have a certain skill? You could organise an online class in return for sponsorships.

Clear out

Do you have unwanted presents or unloved items at home? Students can organise a Virtual Auction to pass along items they no longer use, or even create prizes themselves, in return for donations.

Celebration

Is your birthday coming up? You can set up a Birthday Fundraiser virtually and share your fundraising story with your online community. Or maybe it's another significant date or holiday you want to celebrate.
